

## Morgantown Marriott and Morgantown Event Center Arrival and Parking Instructions:

The Morgantown Marriott is excited to announce ongoing renovations to our event space, offering fantastic updates for the future!

Parking is available in the hotel's attached parking garage as well as in the adjacent uncovered flat lot across from the garage entrance. Guests may park on any level of the garage and proceed to the second floor, where they will gain direct access to the hotel. The hallway leads through function space to the main lobby of the hotel.

**For Overnight Guests:** Please pull up to the hotel's main entrance for check-in. Luggage can be brought directly to guest rooms before parking the vehicle.

**For Event-Only Attendees:** An Event Drop-Off area is available at the Platinum Ballroom roadside entrance, where guests can be dropped off before parking. Drive toward the Marriott's parking garage and the entrance will be under the porte-cochere as the road opens to a new lane. Digital signage will show events for the day and location.

**For Accessible Parking:** Accessible parking spaces are available at the main entrance of the hotel, as well as on every floor of the garage.

Overflow parking is available at the WVU Foundation Parking Garage, located across from the main entrance of the hotel. Parking charges apply.
